#### State of the Company's Affairs

During the period under review, the Company has earned revenue of Rs.16935 lakhs and net profit of Rs.976 lakhs.

#### Performance of the Company

The yarn production for the year was 163 lakhs kgs compared to previous year of 171 lakhs kgs. Cotton price was ruled between Rs.95 to Rs.103 per kg and yarn price was reduced by 15% during the year compared to previous year. The Company has changed product mix and sourced 100% firm private power lower than TNEB prices and which resulted in increased profits compared to previous year.

The Company has achieved Gross profit of Rs.2456 lakhs compared to previous year of Rs.2309 lakhs and net profit of Rs.976 lakhs compared to last year of Rs.681 lakhs.

#### **Industry Structure & Developments**

India's textile sector is one of the oldest industries in Indian economy dating back several centuries. Textiles sector is one of the largest contributors to India's exports with approximately 11 per cent of total exports, The textiles industry is also labour intensive and is one of the largest employers. The industry realised export earnings worth US\$ 41.4 billion in 2014-15, a growth of 5.4 per cent.

The Indian textiles industry, currently estimated at around US\$ 108 billion, is expected to reach US\$ 223 billion by 2021. The industry is the second largest employer after agriculture, providing employment to over 45 million people directly and 60 million people indirectly. The Indian Textile Industry contributes approximately 5 per cent to India's gross domestic product (GDP), and 14 per cent to overall Index of Industrial Production (IIP).

The Indian government has come up with a number of export promotion policies for the textiles sector. It has also allowed 100 per cent FDI in the Indian textiles sector under the automatic route.

The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. The organised apparel segment is expected to grow at a Compound Annual Growth Rate (CAGR) of more than 13 per cent over a 10-year period.

India is the second largest producer of cotton accounting for 25% of the global cotton area and contributes to 18% of the global cotton production. The expected cotton production for 2015-16 is 342 lakhs bales compared to previous year of 380 lakhs bales and the expected exports of cotton for the year will be 70 lakhs bales compared previous year of 60 lakhs bales.

The demand for Ring yarn was good during the current year and however Open end yarn demand and margin continues to be lower. Power position in Tamil Nadu was favourable during the year compared to previous year.

The textile industry has suggested various measures to improve the performance of textile mills in India to Government of India for stabilizing cotton prices, good infrastructure to improve the movement of goods at low cost, continuous power, lower power cost and Bank interest rate.

The company is able to sell its products in view of varied product mix viz., Compact yarn, Slub yarn, Gassed mercerized yarn, polyester yarn, denim yarn and glove yarn. The Company had exported Rs.20 crores during the year. The Company had own depots, dealer net work at various places in India to meet the end user's requirements immediately.

Sri Kannapiran Mills Limited \_\_\_\_\_

### **Opportunities & Threats**

Indian textile industry is highly depending on availability of domestic cotton at a competitive price. Expected increase in overseas yarn demand and apparel segments demand due to improved spending pattern of Indian will help to improve sales and profitability.

The continuing high interest rates and labour shortage will slow down the growth of textile mills in India.

#### Listing

Your Company's shares were listed in Madras Stock Exchange Limited. However in view of approval of voluntary de-recognition of Madras Stock Exchange by SEBI, our Company ceased to be a listed company with effect from 9.1.2015 and our company shares has been placed on the Dissemination Board of NSE. Accordingly NSE has allowed buying and selling of the shares on the Dissemination Board.

#### Segment wise or product wise performance

The Company is engaged in the business of manufacture and export of yarn and accordingly this is the only Single Reportable Segment.

#### Outlook

The Company expects to improve its operational and financial performance during the current year by achieving better productivity, better product mix, higher trading activities and improved power position in Tamil Nadu.

#### **Risk and concerns**

Cotton being an agriculture product, is the key raw material used for manufacture of cotton yarn, the cultivation is dependent on monsoon. Availability of quality cotton at right prices is crucial for the profitability of the Company. Higher Bank interest rates and increased labour cost coupled with shortage of labour will be major concern for our company.

We have audited the internal financial controls over financial reporting of Sri Kannapiran Mills Ltd as of **31st March 2016** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express as opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and

not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reports were operating effectively as at **31st March 2016**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### 1. Significant Accounting Policies

(In the order of applicability of Accounting Standards)

#### AS-1 DISCLOSURE AND BASIS OF ACCOUNTING

- a) The Financial Statements have been prepared under the Historical cost convention in accordance with the provisions of the Companies Act, 2013 and accounting principles generally accepted in India and comply with the Accounting Standards as prescribed under 133 of Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, provisions of Companies Act, 2013 to the extent notified. Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use.
- b) The Company has been consistently following the accrual basis of accounting in respect of its Income and Expenditure.
- c) The Accounts are prepared on the basis of Going Concern concept only.

#### AS-2 VALUATION OF INVENTORIES

- Inventories are valued at lower of cost and net realizable value, where
- a) Cost of raw materials is determined on specific identification method
- b) Stock of stores, spares and packing materials is determined on weighted average method.
- c) Finished goods and work in progress is determined under FIFO method where cost includes conversion and other costs incurred in bringing the inventories to their present location and condition.

#### AS- 3 CASH FLOW STATEMENT

Cash flows are reported using the indirect method, where by the profit before tax is adjusted for the effect of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. Cash and Cash equivalent include cash on hand and balances with banks in current and deposit accounts with necessary disclosure of cash and cash equivalent balances that are not available for you by the company.

#### AS- 5 NET PROFIT/LOSS FOR THE PERIOD AND PRIOR PERIOD ITEMS

All items of income and expenses pertaining to the year are included in arriving at the net profit for the year unless specifically mentioned elsewhere in the financial statement or as required by Accounting Standards.

#### AS-6 DEPRECIATION ACCOUNTING

Depreciation on Fixed Assets has been provided on Straight line basis based on the balance useful life of the assets as prescribed in Schedule II of the Companies Act, 2013 effective from 01/04/2014. Depreciation on machinery & electrical has been provided base on useful lives as applicable continuous process. In respect of additions and sales, pro rata depreciation is calculated from the date of purchase or to the date of sale as the case may be.

#### AS-9 REVENUE RECOGNITION

- a) Revenue from sale transactions is recognised as and when the property in the goods sold is transferred to the buyer for a definite consideration. - b) Direct Sales as reported are net of Sales Tax.
- c) Proceeds of export sales of yarn are accounted on the basis of credit given by our bankers.
- d) Export incentives under DEPB licence and premium on transfer of Export incentives are accounted on accrual basis.
- e) Dividend income from investments is accounted in the year in which it is actually received.
- f) Revenue from Carbon credits are recognized based on issuance of CER certificate by UNFCEC
- a) Other incomes are accounted on accrual basis.

#### AS-10 ACCOUNTING FOR FIXED ASSETS

The cost of fixed assets is shown at historical cost less accumulated depreciation.

#### AS-11 FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions are recorded at the prevailing exchange rates at the time of initial recognition. Exchange differences arising on final settlement are recognized as income or expense in the profit and loss account. Outstanding balances of monetary items denominated in foreign currency are restated at closing exchange rates.

The premium or discount arising at the inception of forward exchange contracts is accounted as income or expense over the life of the contract. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense in the period in which they arise.

#### AS-13 ACCOUNTING FOR INVESTMENTS

Long term investments are stated at cost. A provision for diminution, if any, is made to recognise a decline, other than temporary, in the value of long term investments.

#### AS-15 EMPLOYEE BENEFITS

a) Short term employee benefits (other than termination benefits) which are payable within 12 months after the end of the period in which the employees render service are accounted on accrual basis.

#### b) Defined Contribution Plans

Company's contributions paid / payable during the year to Provident Fund, Superannuation Fund and ESIC are recognized in the profit and loss account.

#### c) Defined Benefit Plans

Company's liabilities towards gratuity is determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past services are recognized on a straight line basis over the average period until the amended benefits becomes vested. Actuarial gains or losses are recognized immediately in the statement of profit and loss account as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate

#### AS-16 BORROWING COSTS

Borrowing Costs that are attributable to the acquisition of construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

#### AS-19 LEASES

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the profit and loss account on a straight line basis over the lease term.

#### AS-20 EARNING PER SHARE

The earning considered in ascertaining the Company's earnings per share comprises of Net Profit after tax and includes post tax adjustments of prior period and extra-ordinary items.

#### AS-22 ACCOUNTING FOR TAXES ON INCOME

Deferred tax resulting from timing differences between book and tax profits is accounted under liability method at enacted or substantively enacted rate as on the balance sheet date. Deferred tax asset, other than those arising on account of unabsorbed depreciation or carried forward of losses under tax loss, are recognised and carried forward subject to consideration of prudence only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

Deferred tax asset, arising on account of unabsorbed depreciation or carried forward of losses under tax loss, are recognised and carried forward subject to consideration of prudence only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realised.

Current tax is determined at the amount of tax payable in respect of estimated taxable income for the year.

#### AS-26 INTANGIBLE ASSETS

Software is being amortised over a period of 1-3 years depending on the licenses of the respective software.

#### AS-28 IMPAIRMENT OF ASSETS

An asset is impaired when the carrying amount of the asset exceeds its recoverable amount. An impairment loss is charged to the Profit and Loss account in the year in which an asset is identified as impaired.

#### AS-29 PROVISIONS, CONTINGENT LIABILITY AND CONTINGENT ASSETS

- a) Provisions involving degree of estimation in measurement are recognized when there is a present obligation as a result of past event and it is probable that there will be an outflow of resources.
- b) Contingent liabilities in respect of show cause notice received are considered only when they are converted to demands. Contingent liabilities are disclosed by way of notes to accounts.
- c) Contingent liability under various fiscal laws includes those in respect of which the company/department is in appeal.

#### OTHERS

#### SUNDRY DEBTORS AND ADVANCES

Specific debts and advances identified as irrecoverable are written off.

#### USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities as at the date of the financial statements and reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates. Any revision to the estimates is recognized prospectively.
